Wall-Mounted Tabletop

Accessory Organizer for Kingswood Accessories

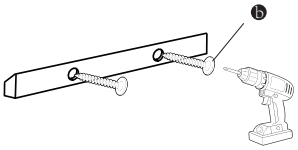

Instagram Facebook Youtube

Required components:

									
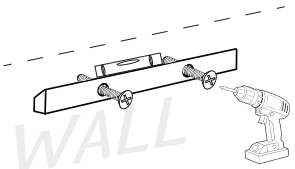

Organizer×1	Wall Screws×2	Wood Screws×4	Wall Cleat×1	Flat Washer ×2	Connecting Plate ×4	Expansion Bolt ×6	Spirit Level×1	Mounting Screws ×6	Screwdriver ×1

Installation Steps

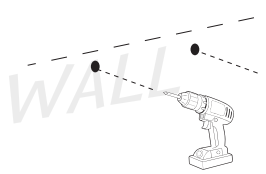

Step 1: Mark & Install Wall Cleat

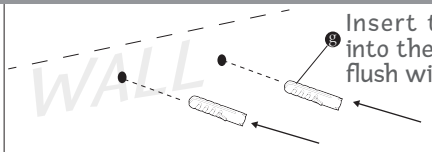

Insert wall screws through the wall cleat holes without tightening them.

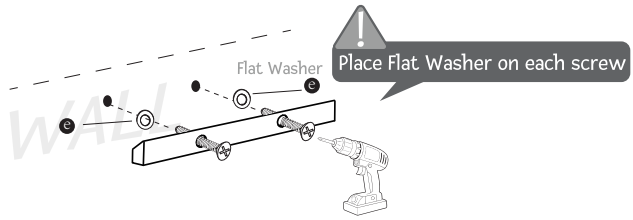

Use a level to align the wall cleat horizontally and mark the drilling positions.

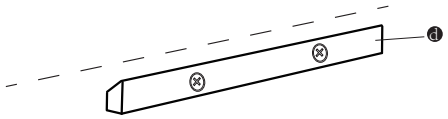

Drill holes at the marked locations using a suitable drill bit.

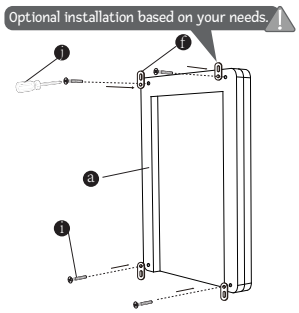

Insert the wall anchors into the drilled holes until flush with the wall.

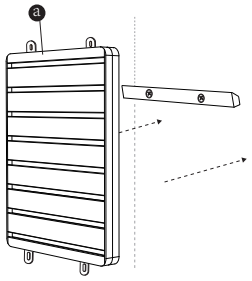

Align the wall cleat with the drilled holes.
Place a washer on each screw.
Then tighten the screws to secure the cleat to the wall.

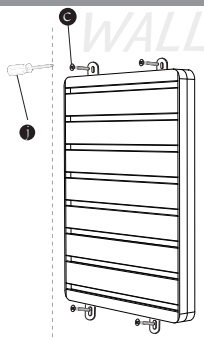

Step 2: Hang the Organizer

Attach the plates to the back of the organizer using screws.

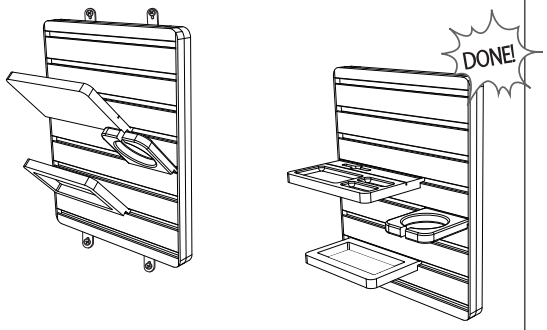

Align the organizer with the wall cleat and lower it into place .

Secure the safety plates to the wall.

Step 3: Organiz Kingswood Accessories

Organizing your Kingswood accessories.

Friendly Reminder

1. Wall Installation
Install on a wall stud, concrete, or solid brick. Use suitable anchors for drywall.

2. Weight Limit
Maximum total load: 10 kg (22 lb), including the organizer.

3. Do Not Climb
Do not hang on, climb, or apply excessive force.

4. Indoor Use Only
Keep dry and avoid direct sunlight.

5. Regular Inspection
Check and tighten loose screws and safety plates.

6. Installation Safety
Check for hidden wires and pipes before drilling.

7. Cleaning & Care
Wipe with a soft, dry cloth. Avoid harsh cleaners.
